LE PHOTOGRAM

How We Work | Web designer brief

Replace the section copy using the wording below.

REFERENCE: Current How We Work section supplied by Le Photogram.

HOW WE WORK

YOUR WEDDING. YOUR PEOPLE. YOUR STORY.

01 - Feel at Ease

We help you feel comfortable, with gentle guidance for portraits and space to enjoy your celebrations.

02 - Every Moment Matters

From meaningful traditions to unexpected laughter, we capture the moments you'll want to remember.

03 - A Story That Feels Like You

We get to know you and your families, creating photographs and films that reflect your bond and the people you love.

Designer instructions: Keep the existing three-column structure, numbered cards, typography and active red accent. Replace the main heading and all three card titles and descriptions with the exact copy above. Stack cards neatly on mobile.

Copy direction: Warm, clear English for Le Photogram's mainly South Indian audience, with emphasis on family, traditions, natural moments and gentle portrait guidance.
